

PROFILE

NEEL RATAN BANIK

Introduction Sheet

N E E L R A T A N B A N I K

I'm Neel Ratan Banik, a former model from Kolkata, working in two cities , Delhi and Kolkata. I'm a software engineer, also endeavouring to Fashion, Runway and Editorial industry. As a professional model with a passion for showcasing diverse styles and bringing life to fashion campaigns. I pride myself on my versatility, ability to adapt to different looks, and dedication to delivering impactful visuals. I have been trained under VETERAN MODEL LAKSHMI RANA, IN HER BOOT CAMP, WILDERBEE'S TALENT CAMP & HAVE LEARNED TO BE DECIPILNE AND COMPLETE DEDICATION TO GIVE THE BEST.

SPECIFIC

Typically considered to have a well-proportioned physique, attractive facial features, and a height suitable for the industry standards.

VERSATILE

Can model a wide range of styles, from high fashion to casual wear, depending on the client's needs and the campaign concept.

Professionalism:

Requires strong posing skills, the ability to take direction well, and maintain a confident demeanor during shoots.

Market segments:

Can specialize in areas like runway modeling, print campaigns, commercial modeling, or fitness modeling.

Oppurtunities: Looking forward to assignments and collaborations that builds my skill and make me more apt to do dedicated tasks and serve the industry.
