Modeling Portfolio

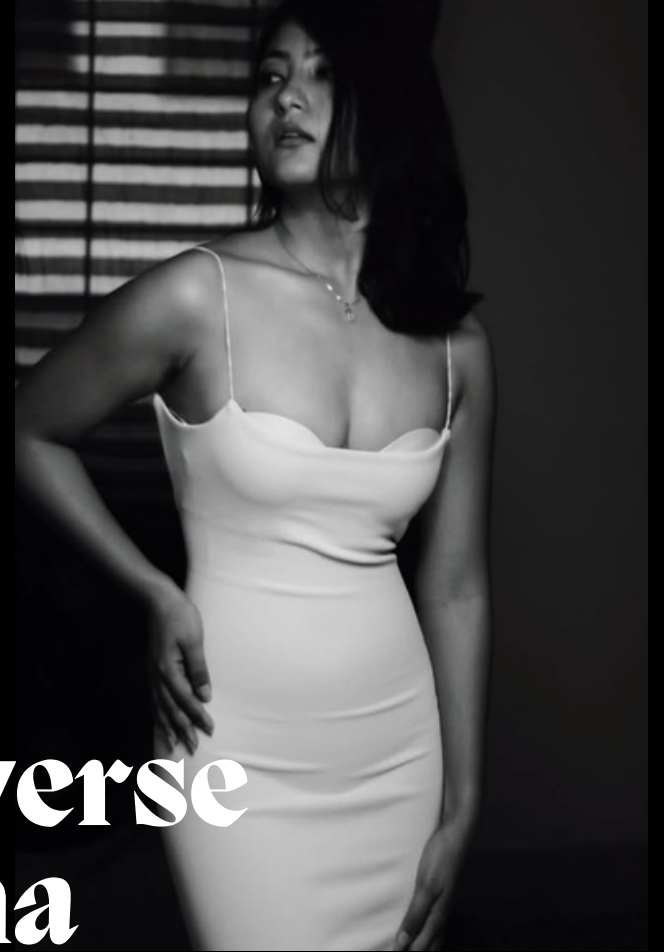

About me

I am a model from Dehradun who is currently based out of Malaysia for work after getting a break via Miss Universe India platform where I was a State Finalist 2024. I am a full time Corporate Employee with passion for Modelling. I recently ventured into anchoring where I anchored for Mrs India Telangana 24 Grand finale. I have worked with Cinematographers, Photographers, Designers and some Startup Brands and aspire to grow in this field exploring and experimenting with my strengths and styles..

I enjoy working with brands
that stand for diversity and
sustainability. I am passionate
about making the world a
better place, and it's rewarding
to work with others who feel
the same.

I have worked with Startup brands related to clothing, salons, test shoots for product launch, food eatery launch. I have anchored for Mrs India
