

A portrait of a young man with dark, wavy hair, looking directly at the camera. He is wearing a white long-sleeved shirt with a bold orange and pink graphic print featuring skulls and flames. He is positioned in front of a weathered wall with a pinkish-red section on the right and a rusted metal grate on the left. His right hand is raised to his forehead. The text 'KENZLY D'SILVA' is overlaid in white in the top right corner.
