THE MODEL

Meet *Mahalakshmi*

“

Grace, expression and a dancer's ease in every frame.

A Bengaluru-based model working across fashion, commercial, beauty and ethnic wear. Her training in dance gives her a natural command of movement and posture; her acting background brings honest, readable emotion to campaigns and film.

She has fronted silk-saree and designer-wear shoots, skincare and dermatology campaigns and studio editorials, and is known for her warmth on set and for finding a brand's mood quickly.
