ALVINA CHRISTAL

INTRODUCTION

I'm Alvina Christal, an actor and model with a love for expressing emotion and character through both performance and style. Whether on stage, on camera, or in front of the lens, I bring energy, adaptability, and authenticity to every project.

ABOUT ME

My journey in Theatre studies has shaped me into a versatile artist who thrives in creative, collaborative spaces. I love embodying different characters, experimenting with expression, and connecting with audiences through both stage and camera. I have worked on lifestyle shoots, short films, and ads (https://youtu.be/ZXkn8PL_Rjw?si=05x7dVsN3y30SBEo).
